

ANNOUNCEMENT

With reference to the Policy Paper for the Electricity Sector approved by the Lebanese Council of Ministers on June 21st, 2010, that adopted the 'Distribution Service Provider' and the 'Monitoring Center' projects, the Electricité du Liban (EDL), hereinafter referred to as "the Owner", invites hereby specialized international firms or consortia for the design and construction of the Advanced Metering Infrastructure system (AMI)- Head End (HE), Meter Data Management (MDM), Billing Information Systems (BIS), and Customer Relationship Management (CRM)- to state their interest in being short-listed for the implementation of "AMI -MDM & BIS/CRM" Monitoring Center.

Interested firms are encouraged to express their interest in bidding by obtaining the corresponding questionnaire on the website:

(<http://www.edl.gov.lb/Businessopportunity.htm>).

Submission of applications has been extended till July 11th, 2011, and shall be received in sealed envelopes (containing both hard and electronic applications of the completed questionnaire duly signed and stamped), either delivered by hand or by registered mail to the Owner at the address noted below, no later than July 11th, 2011 at the end of official office hours (at 12:45), and shall be clearly marked "Application for AMI - MDM & Billing/CRM Project".

Electricité Du Liban (EDL)
Rue de Fleuve - P.O. Box 131
Beirut, Lebanon
Tel: +961-1-442-720
Fax: + 961-1-583-084
